

Surge & Noise Suppressors - Metal (VCN Series)

The VCN series offers high-grade surge and noise protection. They are ideal for protecting office equipment and home electronics from harmful surges and spikes. These standard units include EMI/RFI noise filtration and a lifetime warranty.

Features

- UL1449TVSS
- Suppressor Indicator Light
- Fail Safe Circuit
- EMI/RFI Noise Filtering
- Lighted On/Off Switch
- Custom Lengths Available
- Circuit Breaker
- Clip Mounting - Snap on/Slide
- High Energy Surge Suppressor
- Housing: Aluminum Color-Putty White
- Lifetime Warranty
- Other Cord Lengths Available
